## 2008 Commemoration Updates

### Roles for Family Participation

MA 9/11 Fund staff, consultant Jonathan Barkan and family committee members have begun planning for the 2008 Commemoration. We look forward to some exciting changes in the services this year. Any family member who is interested in participating in the commemoration is encouraged to contact us as soon as possible. Family members can participate in a variety of ways – through the **planning committee**, as a **name reader** during the ceremony, offering hands on assistance to the staff with the **invitations** and **programs**, or through the **video montage** project discussed below.

### Video Montage Update

The Fund is pleased to be updating and expanding the **video montage** which is shown every year at the Commemoration. The updated montage will highlight the forward growth of the families since September 11<sup>th</sup>, and will feature a combination of voiceover recollections with new video and still photographs. As such, we would welcome updated photographs of your family at any milestone – a new birth, wedding or graduation, or participating in any activity which celebrates the life of your lost loved one – a charity run, gold outing, fundraiser, etc. These photographs should be submitted to the Fund no later than **July 21, 2008**, in order to give our media partners sufficient time to edit the montage. In addition, we would like to invite family members to create a brief recording of their memories for the montage voiceovers. These recordings will be done by Jonathan Barkan/Communications for Learning on Monday, **August 4<sup>th</sup>, 2008** at the **Newton History Museum**. More details about this recording opportunity is on the following page.

### Logan Airport 9/11 Memorial

The Logan Airport 9/11 Memorial is being unveiled this September. You may recall that this memorial will provide a place of reflection and remembrance for all those affected by the events of September 11, 2001. The Airport 9/11 Memorial will acknowledge the events of 9/11, honor by name the passengers and crew of United Airlines Flight 175 and American Airlines Flight 11, and commemorate the contributions and dedication to duty of the Logan Airport community during that difficult period. The Memorial will rest on a two and a half-acre airport site adjacent to the Hilton Hotel.

Please watch your mail for family-only invitations from Massport to a **private viewing** of the memorial before the public unveiling. For more information about the Logan Airport 9/11 Memorial, please feel free to contact **John Krajovic** at Massport at **617-568-3559**.

## Memorial Projects Workshop Day in Boston

### National September 11<sup>th</sup> Memorial & Museum

### StoryCorps & MA 9/11 Fund Montage Voiceovers

The MA 9/11 Fund is pleased to bring you the convenient opportunity to work locally on three memorial projects in one day. On **Monday, August 4<sup>th</sup>** at the **Newton History Museum**, the MA 9/11 Fund will host the National September 11<sup>th</sup> Memorial and Museum, StoryCorps, and our own Commemoration consultant, Jonathan Barkan. The centerpiece of this day is a lunchtime presentation by the National September 11<sup>th</sup> Memorial & Museum, where family members will learn about the efforts underway in New York to honor loved ones lost on 9/11 and to educate the public about the attacks. In addition, family members will also learn more about how to donate personal memorabilia to the Memorial and Museum. Family members can participate in this day by signing up for any and all of the following events:

#### National September 11<sup>th</sup> Memorial & Museum Lunchtime Presentation & Discussion 12:00 – 1:00

Representatives from the National September 11 Memorial & Museum including Jan Ramirez, Chief Curator and Director of Collections; Amy Weinstein, Associate Curator and Oral Historian; and Caitlin Zampella, Director of Program Partnership Initiatives will lead an **hour-long lunchtime presentation** and discussion about the Memorial Museum's progress to date. In addition, they will be available throughout the day to answer any questions you may have and to review any materials you may wish to consider **donating** to the Memorial Museum. Items being sought at the moment include (but are not limited to) items worn or carried during evacuation and rescue operations, copies of voicemails, text and email messages sent on 9/11, items (including photographs) which may have been returned to you by NYPD, program materials reflecting ceremonies and other projects undertaken by survivors to mark recovery and healing, and materials illustrative of any kindness and compassion extended to you or from you.

#### StoryCorps – Individual Appointments Available from 10a – 5:00p

StoryCorps is a national oral history project with a special focus on September 11<sup>th</sup>. Family members will be interviewed by trained StoryCorps staff in a soundproof location regarding their memories of their loved one lost. These interviews will be scheduled throughout the day in **one hour appointments**, starting at 10, with the last one at 4. At the end of each appointment, family members will receive a copy of their recording in a CD, and additional copies will be archived at the National September 11<sup>th</sup> Memorial and Museum (a StoryCorps partner), as well as the Library of Congress. To learn more about this project, please contact Caitlin Zampella at the National September 11<sup>th</sup> Memorial & Museum at (212) 312-8788 visit StoryCorps' web site at: <http://www.storycorps.net/special-initiatives/september-11th>.
