**2009 Theme: Volunteerism & Service;**  
**Upcoming "Day of Service" projects**

As mentioned in our last newsletter, our theme of volunteerism and service is a major focus, coinciding with the establishment of September 11 as a National Day of Service. Our first "Day of Service" event held in June at the Yawkey Center food pantry run by Catholic Charities was a success. Fifteen family members spent the afternoon packing over a hundred bags of food for the community of Dorchester, MA.

As we embrace our theme, we would like to offer opportunities for you and your family to volunteer as part of our MA 9/11 Fund community. You will notice that some events fall on September 11. Of course, we welcome you to join us at the Commemoration events in Boston, but if you wish to honor the day in a different way, below are some options. If you would like to participate in any of these projects, please contact Erica.

**Saturday, August 15 and/or Friday, September 11:** we are looking for teams of 12 people to participate in two Build Days with Habitat for Humanity Boston. We are still finalizing the site location, but it will be either Dorchester or Needham. The day begins at 8:30 am and ends at 3:30 pm. Please RSVP by Friday, July 24.

To learn about Habitat for Humanity Boston, please visit their website at [www.habitatboston.org](http://www.habitatboston.org).

**Friday, September 11:** The Red Cross, Boston Red Sox and Beth Israel Deaconess Medical Center will honor those lost so others may survive by hosting their 7<sup>th</sup> annual Day of Remembrance Blood Drive at Fenway Park, Boston City Hall and various locations across New England. The Fenway Park blood drive runs from 6:00 am – 12:00 pm while the drive at City Hall is being held from 11:00 am – 6:00 pm. Since this event coincides with our Commemoration Services, the Red Cross is happy to assist 9/11 family members with transportation to either location. Please let us know if you plan

### Changes to the Loretta Kowal Scholarship

The eligibility criteria for this year's recipients have been expanded in two significant ways: the level of education and the age of the student. This scholarship is now available for the following areas of study for family members meeting the eligibility criteria below.

**Description**

The Massachusetts 9/11 Fund will award annually several scholarships to honor the memory of Loretta Kowal, former board member. Currently, the Fund plans to award up to \$25,000 in scholarships for the 2009-2010 academic year. The award is for one school year, but a family may apply again in subsequent years.

**Covered Areas of Study:**

Elementary School, Secondary School, Therapeutic Programs, Tutoring, Camp, Post-Secondary Education and Graduate Studies

### Eligible Family Members

Eligible family members are related to an individual killed or injured in the 9/11/01 terrorist attacks (the relationship must be that of spouse, domestic partner, sibling, parent or child) or were present at one of the sites of the 9/11/01 terrorist attacks and suffered a direct injury or trauma as a result.

Eligible family members must have current residency in Massachusetts, New Hampshire or Rhode Island, and have had this residency for at least twelve months before being awarded the scholarship.

Eligible family members will have a household income which falls below this year's federal poverty guideline, multiplied by five. Based on current (2009) data, participants' income must fall below the following income amounts:

Eligible adults may also apply by completing the same application. Please mail it, together with a copy of the first two pages of the student/parent/guardian's latest federal tax return, to Diane Nealon.

### ***About Loretta Kowal***

*Loretta Kowal was a clinical social worker who spent her professional life fighting for the rights and welfare of children and others who had suffered tragedy and loss.*

*A founding board member of The Massachusetts 9/11 Fund, she was an essential member of the Fund's Professional Advisory Committee. Loretta had a vital role in shaping the Fund's essential commitment to local families affected by the tragic terrorist attacks of September 11th and she tirelessly volunteered countless hours of her time to the organization, making sure that each family she worked with received specialized attention and care. The Fund was deeply saddened by her death on March 27, 2005 from cancer. Loretta is survived by two sons, David and Robert. We are honored to keep her spirit with us through these scholarships.*

## Board of Directors Updates

### New President and addition of family members

In June, 2009 we held the annual meeting of the Board of Directors. During the meeting John H. Curtis was elected President and David Hastings was elected Vice President. John and David, along with Faith R. Arter, Jim Fisher and Eric Lowrey, make up the Executive Committee of the Board. We are also pleased to welcome to the board newly elected family members Peg Ogonowski and Sally White.

Our thanks and gratitude goes to Faith R. Arter for her tireless efforts and work as Board President since December 2003. As most of you know Faith was an original member of the Board and has been a strong leader for the Fund ensuring it worked hard for our families. She presided over the completion of the Public Garden Memorial, and personally completed many tasks, small and large, to maintain the focus of the Fund on the families. She will continue to be a member of the Board as the Fund's Treasurer.

We would also like to thank former members Dan England and Steve Kerrigan for their hard work and support since 2004 and 2007 respectively. Thank you!
