**2008 Commemoration
Thank You and Feedback**

The MA 9/11 Fund staff would like to thank the dedicated committee of family members, government officials, community partners and volunteers who worked tirelessly to help plan and carry out this year's commemoration services. In particular, we are grateful for the contributions of Jon Barkan and his staff at Communications for Learning. We have posted online a link to the program and readings from that day on our web page. In addition, we are hoping family members will take a few moments to fill out our brief online satisfaction survey about the commemoration, in order to help us continue to improve this important program. The survey is located at: http://www.surveymonkey.com/s.aspx?sm=hUzzyjh0e_2fQJnB4j3N9Ffg_3d_3d

If you do not have access to a computer, please feel free to call us with your input.

Research Participants Needed

Study on Coping with a Parent's Death

Family member **Kerry Silvia, MA**, from Suffolk University is part of a team conducting a study called "Coping with a Parent's Death" to learn about how adolescents cope with the death of a parent. They are especially interested in learning about the role of friendships. They are looking for students grades 6-12 who would be willing to participate with their parent/guardian. The study involves filling out forms that ask questions about your thoughts, feelings and actions and about your friendships. The forms would take about 40 minutes to complete. Amazon.com gift certificates will be given to participants in appreciation of their time.

Please contact Ms. Silvia directly at 617-557-2063 or kerry.silvia@suffolk.edu for more information.
