We still need to hear from the rest of our winners!

Everyone who responded to the 2006 Needs Assessment Survey was entered into a drawing for the first ten commemorative Massachusetts 9/11 Fund pins currently being designed. In the survey envelope, you received a card with a number on it. If you have one of the numbers below, please send that card to the Fund, marking your name and address on it clearly.

WINNING NUMBERS: 31, 59, 82, 88, 116, 143, 162, 281, 291, 368

## Moussaoui Trial – Follow Up Meeting with Defense Team

Two members of Mr. Moussaoui's legal team are making themselves available to answer any questions from MA 9/11 Fund family members about the recent sentencing trial. Federal Defender Gerald Zerkin and Victim Outreach Specialist Mickell Branham will be at the offices of the MA 9/11 Fund on **Wednesday, June 14th from 6:30p-8:30p**. To attend this event, please RSVP as soon as possible to Diane Nealon by calling her at 617-482-8156 or by sending her an email at [diane.nealon@massfund.org](mailto:diane.nealon@massfund.org). If you have questions for Mr. Zerkin or Ms. Branham but cannot attend the meeting on this date, please be sure to let Diane know and she will assist you in getting these answered at a different time.

Again, be sure to note that this is a meeting with Mr. Moussaoui's DEFENSE team, not the U.S. Attorney's Office. It is our understanding that the U.S. Attorney's Office will hold their follow up meeting for MA 9/11 Fund family members in the fall.

## Mind-Body Stress Connection Workshop

In direct response to the 2006 Needs Survey, the Fund is pleased to offer another in its series of workshops with Children's Charter entitled "**Mind-Body Stress Connection**". Presenter Norah Hass will address the concerns of family members feeling physically different since 9/11, such as those experiencing fatigue, back pain, high blood pressure, ulcers, migraines, etc. The workshop is scheduled for **Wednesday, June 28th, from 6:30 pm to 8:30 pm**, at Children's Charter on 77 Rumford Avenue in Waltham, MA. A light dinner will be served. To RSVP for this event, please contact Diane Nealon before June 16th.

## What Next for the Massachusetts 9/11 Fund . . .

We would like your input into developing the blueprint of the future for the MA 9/11 Fund.

As you may remember reading in last month's newsletter, a Strategic Planning Committee of the Board of Directors was formed in March 2006 and began its work to prepare alternative plans for the future of the Massachusetts 9/11 Fund, Inc. The Fund's Board is committed to providing the support necessary to assist families in ways that will help them progress towards their individual futures, plan and achieve their goals, to honor the memories of those lost, and to ensure that the public remembers the lives lost not as an aggregate, but as individuals - who were violently deprived of their potential, their plans and their goals.

The strategic planning process also involves the Family Advisory Committee. The FAC, comprised of twelve family members (listed on the cover of this newsletter) has been meeting with the staff of the Fund to evaluate the work of the Strategic Planning Committee and to offer their comments and counsel. This process will continue, with an end date of July 17. On that evening, the Board of Directors is preparing to make a final set of decisions which will map the coming years and future plans of the Fund.

There are going to be two rounds of community forums as noted below. We will present the progress of the strategic plan work at these forums. Your input will be taken into consideration in developing the final plan.

- What are the possible outcomes of this plan?

You are encouraged to read the full plan which is available on our website and is being included as a separate mailing with this newsletter. However, this is a very brief summary of the three visions of the future as proposed for consideration:

- Option A - the Fund would eventually close its physical office, discharge its staff, and remain as an all-volunteer group that supervises several partnership agreements with entities that agree to continue performing specific tasks on behalf of the Massachusetts 9/11 Fund, Inc. The organization would remain on paper as a legal entity, and could be renewed to a more active status at any time.
- Option B, Version 1. With the unifying principle being *individuals and families affected by the events connected to 9/11/01*, the Board would seek to identify other populations who could benefit from the similar type of services provided to the current constituency of 9/11 families. *Funds would be raised for these other populations*, but a single core staff and core board would be shared by all such programs of service. The 9/11 service cluster for families would remain.
- Option B, Version 2. With the broader unifying principle being *families who could benefit from support in dealing with the unexpected loss of a loved one due to violence*, this organizational structure would be otherwise the same as Option B. Version 1 above.

## Trailer for Oliver Stone's Movie "World Trade Center" Shows in Theaters

Oliver Stone is directing the movie, *World Trade Center*, about two Port Authority Police Officers, Sergeant John McLoughlin and Officer Will Jimeno, who survived the collapse of the towers on September 11th. The release is anticipated either in the late summer or fall of this year.

Recently, dozens of members of the PAPD, FDNY, and NYPD traveled to the set of *World Trade Center* in California to film scenes of the officers' heroic rescue and to provide technical support to ensure that the movie is as authentic and accurate as possible. Many of those who visited the set responded to the *World Trade Center* attacks and some were directly involved in the rescue of Sergeant McLoughlin and Officer Jimeno and will appear as extras in the film.

The preview for *World Trade Center* will be shown at theaters around the country along with the following films - 'The Break Up', 'An Inconvenient Truth', and 'The DaVinci Code'. Television ads are expected to begin in early July.

For questions about the film, we encourage you to contact Jennifer Brown via email or phone: [jbrown@a2blc.com](mailto:jbrown@a2blc.com) ; (917) 885-3672. The trailer can be viewed, if you wish, at <http://www.wtcmovie.com/>.

Contact the theater manager at any theater you will be visiting, if you want to know if the trailer will be shown as a coming attraction during the previews of any film you are going to see.

For more information about how to cope with this trailer and other 9/11 media reactions, please feel free to contact Diane Nealon.

## Why did my June Newsletter Come in an Envelope?

Following the successful delivery of 100% of the May Newsletters, we are continuing the practice of mailing your newsletter in an envelope. In previous months, we tried to keep the cost of mailing down by folding the newsletter and making the back page a "mailer". However, numerous copies had been returned, shredded by the automatic mail-handling machines in the post office, so we have had to place the newsletters in an outer envelope. It costs a bit more, but you get a copy that has not been dog-eared by an electronic handling machine. It is still ready for mailing if you do wish to forward it on to a family member in another part of the country. You can also tell them about the website, where they can read the full copy in Adobe PDF format.

**Register with Scholarship America** - Register eligible dependents in one of the following ways: phone toll-free 1-877-862-0136, email to [scholarships911@scholarshipamerica.org](mailto:scholarships911@scholarshipamerica.org) or visit their website [www.scholarships911.org](http://www.scholarships911.org). If you experience any difficulty at all with the registration process, or have questions after contacting Scholarship America - please get in touch with us as soon as you can.

**\$5,000 in Uninsured Health Costs Assistance from Twin Towers Orphans Fund** – Twin Towers Orphans Fund provides up to \$5,000/year for uninsured physical health costs and uninsured mental health costs incurred by children who lost one or both parents on September 11th. Contact the Twin Towers Orphan Fund at (661) 633-9076 or at <http://www.ttof.org/>.

## **Red Cross Reimbursement for Mental Health Care Scheduled for Closeout**

The Red Cross has announced that it intends to close out its 9/11 Mental Health and Substance Abuse Program (known to many as "LIFENET") in 2007. A complete description of program is available at [www.9-11MentalHealth.org](http://www.9-11MentalHealth.org) or by telephone at 1-800-LIFENET (1-800-543-3638). The deadline to **enroll** in this program is **January 2, 2007** (enrollment is completed by calling the 1-800-LIFENET number). The last date of service which will be reimbursed by this program is **December 31, 2007** and the last date to file a claim for reimbursable services is **March 31, 2008**.

Please note – this program does allow you to claim eligible uninsured mental health treatment costs retroactively back to 9/11/01. If you or anyone in your family is or was incurring out of pocket costs for mental health treatment since 9/11, we strongly encourage you to take advantage of this program before it ends. Family members will not be allowed to "carry" any unused portion of the benefit.
